600 Moo 16, Ta Kau Sub-district, Mae Sa Rauy, Chiang Rai 57180
Tel. 053-163-344
Email: hnk7036rpf@gmail.com

Huay Nam Khun Royal Project Development Center

The center these days aims to generate sustainable income and improve livelihood of local farmers by developing and promoting crop cultivation (tea, coffee and fruit) under Food Safety Standards: Good Agricultural Practices (GAP). Furthermore, the center realizes the significance of community engagement strengthening each individual and community itself, natural resource and environmental conservation, reforestation project called "Three Forests, Four Benefits", soil and water conservation by Vetiver grass growing, chemical use reduction and environmental contamination monitoring. The center has also been a highland agricultural learning center for students, farmers and other interested people.

Main produces of the Center

Green and red capsicum, Frillice iceberg lettuce, Cape gooseberry, strawberry, Japanese apricot, Japanese plum, persimmon, coffee and tea

How to travel

From Chiang Mai, take highway 118 (Chiang Mai – Chiang Rai) passing Wieng Pa Pao District. When arriving 110 km. (Baan Mar Tum), turn right into steep asphalt road for 23 km.
